

Summary of Benefits and Coverage: What this Plan Covers & What You Pay For Covered Services

Coverage Period: 1/1/2026 - 12/31/2026

Public Employees Benefit Retirement System (CalPERS) PERS Platinum Basic PPO Plan

Coverage for: Individual + Family | Plan Type: PPO

 The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE:** Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit includedhealth.com/calpers or call 1-855-633-4436. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at healthcare.gov/sbc-glossary or call 1-866-444-3272 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	\$500 per individual / \$1,000 per family for <u>Preferred Providers</u> ; \$2,000 per individual / \$4,000 per family for <u>non-preferred providers</u> .	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u> ?	Yes. <u>Prescription Drugs</u> , <u>Preventive care</u> , Primary Care visit, and <u>Specialist</u> visit for <u>Preferred Providers</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at healthcare.gov/coverage/preventive-care-benefits .
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?	\$2,000 per individual / \$4,000 per family for <u>Preferred Providers</u> ; None per individual / None per family for <u>Non-Preferred Providers</u> . This <u>plan</u> has a separate Out of Pocket Maximum for <u>Prescription Drugs</u> of \$2,000 per individual / \$4,000 per family / \$1,000 Home Delivery.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met. However, these expenses do count toward the maximum medical responsibility amount. The maximum medical responsibility (\$8,150 per Member and \$16,300 per family), in general, is accumulated by the Calendar Year Deductible, Coinsurance, and Copayments, for services provided by Preferred Providers.
What is not included in the <u>out-of-pocket limit</u> ?	<u>Copayments</u> for certain services, <u>premiums</u> , <u>balance-billing</u> charges, deductible and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes. See includedhealth.com/calpers or call 1-855-633-4436 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's</u> network. You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
